The purpose of the Whitefish Bulldog Booster Club is to support Whitefish High School students participating in extracurricular activities. The Booster Club is a non profit 501(c)3 organization.

### HELP US BUILD A NEW ATHLETIC COMPLEX

## GIVE YOUR SUPPORT TODAY

By joining the Whitefish Bulldog Booster Club, you become a vital part of the continued success of our students, both on & off the field, court or stage. Through membership and other events, the Booster Club raises over \$50,000 annually that directly supports Whitefish High School activities and programs. In 2019, we also began giving three annual scholarships to WHS students.
